MURINE®
Dry & Tired Eye drops

Ophthalmic sterile, lubricating, moisturising, soothing and protective, isotonic, biocompatible preserved, buffered solution with Hyaluronic acid 0.20% and *Aloe vera* gel.

Recommended for sensitive, dry, dehydrated, tired and irritated eyes. Suitable also with contact lenses inserted, compatible with all contact lenses.

INDICATIONS

- Lubricates, moisturises, soothes and protects sensitive, dry, dehydrated, tired and irritated eyes;
- Provides relief in case of itching, burning, Foreign Body Sensation (FBS) and eye irritation;
- Ideal in case of non-traumatic/non-pathological changes of the tear film;
- Ideal in case of environmental ocular stress (excessive exposure to sunlight, wind, dust, air conditioning, dry and polluted air, etc.);
- Ideal in case of ocular stress (extended computer use, unfavourable lighting conditions, night driving etc.);
- Indicated for prolonged use of contact lenses;
- Suitable also for use while wearing contact lenses;
- Product compatible with homeopathic treatments.

INSTRUCTION FOR USE

Adults and Children: instil 1-2 drops per eye one or more times a day, as needed or as per your specialist advice. In case of use on children the product must be administered by an adult.

For contact lens users, add 2-3 drops on the lens before insertion or into the eye after insertion. Add drops on the lens when fitted as needed.

Dispose according to local laws.
